Dear Bill:

As you know, I have just returned from two weeks in the Middle East. The Secretary had asked that I undertake such a visit to become broadly familiar with the key players of the region. From my own perspective, the trip was an enormous success.

I wanted to pass on to you that President Mubarak and King Hassan spoke very warmly of you and asked that I convey their very highest personal regards.

Sincerely,

John C. Whitehead
Acting Secretary

William J. Casey,
Director of Central Intelligence,
